

REMARKS/ARGUMENTS

Applicant thanks the Examiner for his attention to the application, and especially for the indication that Claims 2-4, 6, and 11 would be allowable if re-written in independent form. Applicant has added the limitations of Claim 2 to Claim 1 and has made Claim 6 an independent claim. Since all of the claims now would depend from claims indicated to be allowable, the application is clearly in condition for allowance, and reconsideration of the final rejection is requested.

Respectfully submitted,

Dated: March 13, 2009
